

One-to-one Discipling is a nine-session course for one believer to help another believer learn the basics of his/her Christian faith. It helps lay nine foundation stones upon which believers can build the rest of their lives.

- Attributes of God
- The Bible
- Prayer
- Spirit Filled Life
- Fellowship
- Witnessing
- Temptation
- Obedience

Each lesson has verses to read with questions to answer on that topic. And it's not dry, dusty doctrine, but eminently practical in its application to our daily lives. The two, man to man, or woman to woman, meet to discuss the lesson, pray, and learn from each other – laying that solid foundation and growing together in the faith.
